

Technology Discovery Day & Consultation Event

For Adults (16+) who Use Augmentative and Alternative Communication

On Saturday 24th June 2017, 10 am – 3.30 pm

**At Thomson's Land, Moray House School of Education,
Holyrood Road, Edinburgh EH8 8AQ**

Try out new computers and tablets, software, websites, music, communication aids, eye gaze, environment controls, and games and technology for fun and communication!
(Remember to bring YOUR communication aid!)

Make new friends and contacts. Get help and ideas from specialist professionals from AAC services and other centres across Scotland.

You'll need to arrange your own transport and bring someone along to help you and join in the fun!

Lunch (sandwiches, tea, coffee, juice, etc.) will be provided between 12.30 and 1.30. If you have special dietary requirements, please bring what you need.

CONSULTATION

The afternoon session (1.30 - 3.30) will be a consultation session, giving you a chance find out about the proposed Communication Access Symbol, changes in the law giving better access to communication aids, and to chat with friends.

IF YOU WOULD LIKE TO COME:

- fill in the attached booking form and return it to:
CALL Scotland, Paterson's Land, Holyrood Road, Edinburgh EH8 8AQ

- OR telephone CALL Scotland, 0131 651 6236 to book a place.
