

- 1. To create a simple choice board with clickable images which open videos, create a blank PowerPoint.
- 2. Insert the first image by clicking on Insert then Pictures

3. Click on the image to select it. Click Insert.

4. Repeat for the other images.

5. Create a blank slide for each image. These slides will link and play the YouTube videos. E.g. if you have inserted 3 images, create 3 blank slides.

6. Right click on the first slide to quickly create a new blank slide.

- 7. Insert duplicate blank slides by clicking Duplicate Slide.
- 8. Click on the first blank slide. This is where you will insert the first YouTube video.

Click Insert ,then Video/Online Video
